NOTES AND ORDERS.

(1) In Govt Notign no. H 3923 - S.R. 196-10 of 18-3-1912 the limit of the private possession of opium was reduced from 'three tolas' to 'one tola', on the suggestion of the Madras Govt.

Madras rules, is to reduce the limit of the private possession of the smoking preparations of opium from 1 to ½ tola.

Vide opium Rules pncup (Rule III (B))

(3) The Cochin Station authorities have also reduced the limit of opium possession from 3 tolas to one tola, and they are further inclined to adopt the Madras rule regarding smoking preparations of opium, if the Mysore Govt are willing to introduce that rule in the State.

(4) The Excise Comr says that, if Govt approve of the suggestion, he will submit a draft notification amending the rules. He proposes to give effect to the change from 18th July 1913, on the ground that the Excise sales in many taluks are over. It is not clear what difficulty is there in giving effect to it at once, as the opium licensees are not allowed to sell smoking preparations of the drug and as such are not likely to be affected by the change.

(5) Submitted for orders. If the proposal is to be approved, the quantity of smoking preps which one can manufacture should also be reduced from 1 to ½ tola; Vide Rule II (ii)

Enclosure (2) to Sl 8R 227-11

Letter No. 8682, dated 1st May 1912, from the Offg: Inspector General of Police, in charge of the office of the Excise Commissioner in Mysore, to the Collector Civil and Military Station, Bangalore.

With reference to your letter No. 1765, dated the 25th Ultimo, anent the reduction in the limit of private possession of Opium, I have the honor to state that Government having in their Notification No. Fl.3923/S.R.196-10-5, dated the 16th March 1912, ordered the reduction of possession from three to one tola, the same was accordingly published in the Excise sales Notification for the official year 1912-13, on the strength of which sales in many Taluks have already been effected. So it is matter for deep regret that the suggested changes for the possession of opium for smoking preparations cannot now be brought into effect before 1st July 1913.

I am now addressing the Government about reducing the limit of the smoking prepartions from 1st July 1913 and will write to you again in due course.
